EASTER

MOTHER'S DAY

90 years in our community

Many of our neighbours have passed through our Sunday School, children's clubs, and special services since we opened in 1936.

Bromborough has been through so much change since then!

But some things remain the same: We still love being part of our community life. And God is still good and wants us all to know him, so he still has a church of people here ready to share his love.

Join us at one of our many events through March and April where we share our lives, our passions, and our community.

And if you want to explore matters of faith and belief, many of our activities include short talks or opportunities to talk freely about what's on your mind. You're always welcome here.

EASTER

Christmas wasn't even over when the boxes of chocolates in the shops were being replaced with Easter eggs. We're so used to seeing the next marketing opportunity sitting back-to-back with the previous one!

And yet the direct link from Christmas to Easter is actually very appropriate. Without Easter there would have been no need for the birth of Jesus Christ.

God in human form was born specifically to die 33 years later on a Roman cross. This was the purpose of his earthly mission, to die in the place of sinners (that is, wrongdoers, as we all are).

Now, everyone who asks his forgiveness will be welcomed one day into heaven. Jesus' resurrection on Easter Sunday was proof of God's acceptance of Jesus' sacrifice.

Most of us would accept the gift of a chocolate egg. But are you willing to accept the gift of the new life that Jesus offers? Talk to us to find out more.

3rd & 5th April
